TOOLWORX CELEBRATES 10 YEARS IN BUSINESS WITH NEW WEBSITE

BRIGHTON, Mich., <May 21, 2007 >-- ToolWorx Information Products, Inc. ("ToolWorx"), of Brighton, Michigan announces that it is celebrating its ten year birthday this year. Along with the celebration, ToolWorx has redesigned its website which can be viewed at www.toolworx.com. The new website now features third party products, new presentations for downloading, and easier navigation for an enhanced surfing experience.

About ToolWorx

Founded in 1997, ToolWorx Information Products, Inc. is a developer of automated data collection applications, specializing in lot/part traceability and error proofing. Our flagship product suite, ToolWorx Bridge™, gives companies the ability to accurately collect information from the shop floor, warehouse or out in the field using barcodes, radio frequency identification (RFID) tags, or programmable logic controllers (PLC). The collected information is integrated real-time with a customer's internal enterprise business systems. We take pride in our ability to customize and install a system in less than 30 days. For more information, visit www.toolworx.com.
