## How It Works:

1. Trade in either Intermec or competitive equipment and purchase a qualifying Intermec printer, terminal/computer or RFID reader between **July 11, 2007 and December 14, 2007**. Your rebate will be based on a 1:1 ratio of eligible units you trade-in to the eligible new units you purchase. (See back side for details). Purchases must be made from an Intermec authorized source.
2. Fax a copy of your completed invoice (proof of purchase) for your new Intermec equipment and a rebate coupon to Intermec Rebate Processing 425-267-2929.
3. Upon receipt of your rebate coupon and invoice, Intermec will email you a confirmation along with detailed shipping instructions for your trade-in equipment.
4. Upon receipt of the trade-in equipment (at the location instructed in the email), rebate coupon and proof of purchase, a rebate check will be issued to the product end user. The total amount of the rebate depends on the unit(s) traded in, as well as the new products purchased.
5. Shipments must be postmarked within 60 days of invoice for the new Intermec equipment. Example: if new Intermec equipment has an invoice date of November 11, 2007, the trade-in equipment must be shipped no later than January 10, 2008.
