#### TOOLWORX TO SPEAK AT APICS WORKSHOP

BRIGHTON, Mich., <April 25, 2005 >-- ToolWorx Information Products, Inc. ("ToolWorx"), of Brighton, Michigan announces that Ed Weber, VP Sales and Marketing, has been selected to speak at an APICS (Association for Information Management) workshop entitled "Label Error Proofing: Opportunities and Challenges" on May 11, 2005 from 9 A.M to 1 P.M. at Saginaw Valley State University in Saginaw, Michigan. He will co-present a session with Robert Simonis of The PIC Group. Registration is available online at [www.svsu.edu/oce/programs.htm](http://www.svsu.edu/oce/programs.htm).

#### **About ToolWorx**

Founded in 1997, ToolWorx Information Products, Inc. is a developer of automated data collection applications, specializing in lot/part traceability and error proofing. Our flagship product suite, ToolWorx Bridge™, gives companies the ability to accurately collect information from the shop floor, warehouse or out in the field using barcodes, radio frequency identification (RFID) tags, or programmable logic controllers (PLC). The collected information is integrated real-time with a customer's internal enterprise business systems. We take pride in our ability to customize and install a system in less than 30 days. For more information, visit [www.toolworx.com](http://www.toolworx.com).

#### **About APICS Saginaw Chapter**

The Saginaw Valley Chapter of APICS is part of Region 14 of APICS and is located in the "Tri-Cities" area in Michigan, which includes Bay City, Midland and Saginaw and encompasses a great many industries including automotive and chemical manufacturing. We're involved with education in Production and Inventory Control and work with our education partner, SVSU, to provide practitioners and the public with classes. Contact our current president and membership chair, Reino Warren for more information about the Saginaw Valley Chapter: 810-732-8479 or [rvwarren@att.net](mailto:rvwarren@att.net). Visit our website [www.apics-svc.org](http://www.apics-svc.org).
