About ToolWorx

Founded in 1997, ToolWorx Information Products, Inc. is a systems integrator specializing in automated data collection applications. Our product suite gives companies the ability to accurately collect information from the shop floor, warehouse or out in the field using barcodes, radio frequency identification (RFID) tags, or programmable logic controllers (PLC). The collected information is integrated real-time with a customer's internal enterprise business systems. We take pride in our ability to customize and install a system in less than 30 days. For more information, visit www.toolworx.com.

About AIAG
