TOOLWORX TO SPEAK AT AUTO TECH

BRIGHTON, Mich., <August 3, 2005 >-- ToolWorx Information Products, Inc. ("ToolWorx"), of Brighton, Michigan announces that Ed Weber, VP Sales and Marketing, has been selected to speak at Auto Tech on August 30, 2005 at Cobo Hall in Detroit. He will co-present a session entitled "Traceability and Error-Proofing Go Hand in Hand" scheduled for 11:15 A.M. His co-speakers are Diana Kuligowski of PTI Engineered Plastics and Ken Post of Webasto.

Auto Tech, sponsored by the Automotive Industry and Action Group ("AIAG") headquartered in Southfield Michigan, is a venue where the collaboration between OEMs and suppliers is showcased through educational sessions, product and service exhibits and demonstrations, and networking opportunities. ToolWorx will also be exhibiting their error proofing and traceability systems in the exhibit hall.

About ToolWorx

Founded in 1997, ToolWorx Information Products, Inc. is a developer of automated data collection applications, specializing in lot/part traceability and error proofing. Our flagship product suite, ToolWorx Bridge™, gives companies the ability to accurately collect information from the shop floor, warehouse or out in the field using barcodes, radio frequency identification (RFID) tags, or programmable logic controllers (PLC). The collected information is integrated real-time with a customer's internal enterprise business systems. We take pride in our ability to customize and install a system in less than 30 days.
