#### TOOLWORX SELECTED FOR GOVERNMENT RFID PROJECT

BRIGHTON, Mich., <May 25, 2004 >-- ToolWorx Information Products, Inc. ("ToolWorx"), of Brighton, Michigan announces that it has been awarded a contract to provide a Radio Frequency Identification ("RFID") system to the U.S. Defense Intelligence Agency ("DIA"). The contract award was approximately \$750,000. The hardware requirements consisted of Intermec Technologies Corporation ("Intermec") RFID-enabled terminals, readers, and tags. ToolWorx is utilizing its internal Quality Assurance Program to ensure that all equipment is tested before being shipped to the DIA. This is ToolWorx's first significant government contract since launching its new government initiative in January 2004.

#### **About ToolWorx**

Founded in 1997, ToolWorx Information Products, Inc. is a systems integrator specializing in automated data collection applications. Our product suite gives companies the ability to accurately collect information from the shop floor, warehouse or out in the field using barcodes, radio frequency identification (RFID) tags, or programmable logic controllers (PLC). The collected information is integrated real-time with a customer's internal enterprise business systems. We take pride in our ability to customize and install a system in less than 30 days.
