TOOLWORX EARNS NICELABEL ENTERPRISE CERTIFICATION

BRIGHTON, Mich., <April 15, 2009 >-- ToolWorx Information Products, Inc. ("ToolWorx"), of Brighton, Michigan announces that they have been certified as a Platinum Partner for Niceware. Niceware Platinum Partners are certified resellers and integrators who are eligible to sell, implement, and support the products from the NiceLabel Enterprise Series, including NiceWatch Enterprise with HL7 support for health care integration. NiceLabel Enterprise is a line of NiceLabel products designed for centralized system management, monitoring and integrated high-volume printing requirements. NiceWatch Enterprise with HL7 support is a centralized global messaging and label printing middleware software that integrates printing of wristband, charts and admittance forms into Healthcare Information System (HIS), Laboratory Information System (LIS), Pharmacy Information System (PIS) applications and others.

About ToolWorx

Founded in 1997, ToolWorx Information Products, Inc. is a developer of automated data collection applications, specializing in lot/part traceability and error proofing. Our flagship product suite, ToolWorx Bridge™, gives companies the ability to accurately collect information from the shop floor, warehouse or out in the field using barcodes, radio frequency identification (RFID) tags, or programmable logic controllers (PLC). The collected information is integrated real-time with a customer's internal enterprise business systems. We take pride in our ability to customize and install a system in less than 30 days.
