TOOLWORX ANNOUNCES NEW OFFICE

BRIGHTON, Mich., <March 4, 2002>-- ToolWorx Information Products, Inc. ("ToolWorx"), of Brighton, Michigan announces the opening of their new office in Chicago, IL. The address is 1534 N. Dearborn Parkway, Chicago, IL 60610 and the phone number is 312-560-5160. The office will be headed by John McSweeney.

Mr. McSweeney was most recently President and CEO of ECO, an energy cooperative where he was responsible for establishing a marketing program that resulted in a record membership growth. Prior to that, he was VP and General Manager of Amerigas Propane L.P., where he designed and oversaw implementation of an automated data collection system for the Amerigas truck fleet using mobile barcode terminals. This system reduced days outstanding for receivables by 25%, reduced operating overhead, and established immediate access to customers for problem resolution.

Mr. McSweeney holds a Bachelor of Science in Chemistry from the University of Manchester Institute of Science and Technology (England) and an MBA from the University of Chicago.

About ToolWorx

Founded in 1997, ToolWorx Information Products, Inc. is a systems integrator specializing in automated data collection applications. Our flagship product suite, ToolWorx Bridge™, gives companies the ability to accurately collect information from the shop floor, warehouse or out in the field using barcodes, radio frequency identification (RFID) tags, or programmable logic controllers (PLC). The collected information is integrated real-time with a customer's internal enterprise business systems. We take pride in our ability to customize and install a system in less than 30 days.
