TOOLWORX ANNOUNCES SYMBOL TECHNOLOGIES PARTNERSHIP

BRIGHTON, Mich., <February 28, 2003>-- ToolWorx Information Products, Inc. ("ToolWorx"), of Brighton, Michigan announces that they have been accepted as an Authorized Reseller in Symbol Technologies' ("Symbol") PartnerSelect Program. The Symbol PartnerSelect Program is designed specifically to help channel partners increase both revenue and profitability by establishing an authorized channel to sell Symbol's mission-critical mobility solution products and services, while strengthening Symbol's position as the enterprise mobility market leader. Only Symbol PartnerSelect Program participants have resale authorization for Symbol's products.

About ToolWorx

Founded in 1997, ToolWorx Information Products, Inc. is a developer of automated data collection applications, specializing in lot/part traceability and error proofing. Our flagship product suite, ToolWorx Bridge™, gives companies the ability to accurately collect information from the shop floor, warehouse or out in the field using barcodes, radio frequency identification (RFID) tags, or programmable logic controllers (PLC). The collected information is integrated real-time with a customer's internal enterprise business systems. We take pride in our ability to customize and install a system in less than 30 days. For more information, visit www.toolworx.com.

About Symbol

Symbol Technologies, Inc. (NYSE:SBL) delivers enterprise mobility solutions that enable anywhere, anytime data and voice communication designed to increase productivity, reduce costs and realize competitive advantage. Symbol systems and services integrate rugged mobile computing, advanced data capture and wireless networking for the world's leading retailers, transportation and logistics companies and manufacturers as well as government agencies and providers of healthcare, hospitality and security. More information is available at www.symbol.com.
